to erect a monument and/or inscribe on a pre-existing memorial for:

Select: Pre-Need At-Need

Decedent: _____ Date of Death: _____

on the aforementioned interment space located within Rosedale Cemetery. I understand the monument and Monument Dealer are to do the above work, subject to all Rules and Regulations of The Proprietors of the Rosedale Cemetery. All monuments must be made of first-grade monument material, guaranteed free from sap or anything that will cause rust stains, and that it will not check or crack. There will be no drill or tool marks or staining from the removal of rubber matting and all workmanship will be first class. There will be no painting allowed on any type of monuments and any monuments made from wood or glass are strictly prohibited. The bottom beds of all bases and markers must be cut level and true. Granite may only be sourced from quarries approved by Rosedale Cemetery. Rosedale Cemetery reserves the right to remove any memorial that does not meet the requirements stated in its Rules and Regulations, is deemed vulgar, offensive or improper, or does not meet the standard of quality required. A certificate of or written guarantee must be issued from the quarry where the granite has been sourced and the Dealer who has sold and installed said monument to be filed at the Cemetery Office.
